the committee amendments to 271. All those in favor vote aye; all those opposed vote nay. Record.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of the amendment to the committee amendments.

SPEAKER KRISTENSEN: That amendment is adopted. Items for the record, Mr. Clerk.

CLERK: Mr. President, I have a further amendment to 271 by Senator Wickersham to be printed. Senator Byars to add his name to (LB) 559, and Senator Jones to 559; Senator Dwite Pedersen, (LB) 849. (See page 1352 of the Legislative Journal.)

Mr. President, priority motion, Senator Schmitt would move to adjourn until Friday, April 9, 1999, at 9:00 a.m.

SPEAKER KRISTENSEN: Prior to us adjourning, members if I could have your attention for just a moment about what our schedule is for the next couple of days. Tomorrow, as you know, we are not in session, attending the funeral of Senator Schellpeper. I want to remind you that the bus service is available, be on the west side at 7:30 tomorrow morning. It's going to be a prompt departure and we will do that. For those of you who are not taking the bus, the funeral is at the high school gym. There's been many conflicting reports whether it's the middle school. The best information we have is it is at the Stanton High School gymnasium. We have the address. It will be available in the Clerk's Office. I don't think...if you get to Stanton, you'll find it. The funeral, again, is scheduled for 10:30 a.m. We will then meet Friday, starting at nine o'clock in the morning. We are going to try to adjourn approximately at 1:30. Shortly after we adjourn, we'll then do the memorial and the salute to Senator Schellpeper in this Chamber and I don't anticipate that lasting much more than an hour. So if that can help you with your schedules, I certainly appreciate your patience and we'll try to get through the next couple of days. The motion before us is, shall we adjourn? All those in favor say aye. Those opposed say nay. We are adjourned.
